

# FCA3100 Series vs. Agilent 53132A Series

## Competitive Fact Sheet

### Ease of Use

#### Tektronix FCA3100 Series

- ✓ Graphical & numeric display
- ✓ Multiple parameter readout on display, e.g. frequency & voltage measurements
- ✓ Structured on-screen menus to guide set up of instrument and functions
- ✓ USB device port to connect with a PC for data recording
- ✓ Emulation mode to support Agilent 53132A test system software

*Multiple parameter readout shows auxiliary measurements on same display*

#### Agilent 53132A Series

- ✗ Numeric display only
- ✗ Single parameter readout on display
- ✗ Scroll through menu system requires toggling through multiple functions for set up
- ✗ No USB device port
- ✓ Automated Test Equipment software

### Unique Test Functions

#### Tektronix FCA3100 Series

- ✓ Allan Deviation
- ✓ Totalize Measurements
- ✓ Continuous zero dead-time measurements with time stamping via GPIB/USB
- ✓ Pulse Output
- ✓ Optional Modulation Domain Analysis Software (TimeView™)

#### Agilent 53132A series

- ✗ No
- ✓ Yes
- ✗ No
- ✗ No
- ✗ No

### Key Specifications Comparison

	Tektronix FCA3100 series		Agilent 53132A series	
Frequency Resolution (digits/s)	✓	12	✓	12
Best OCXO time base option	✓	<5E-8/year	✗	1E-7/year
Time interval single-shot resolution	✓	50 ps	✗	150 ps
Vmax, Vmin resolution	✓	1 mv	✗	5 mv
Measurement Speed to Internal Memory	✓	250k Sa/s 3.75M internal memory available	✗	----
Individual Measurements	✓	650/s	✗	200/s
Min pulse width	✓	1.6 ns	✗	4.5 ns

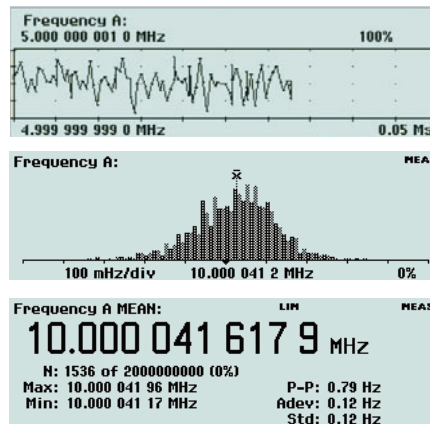

# FCA3100 Series vs. Agilent 53132A Series

## Competitive Fact Sheet

### Extended Analysis Features

#### Tektronix FCA3100 Series

- ✓ Statistical analysis with trend line
- ✓ Statistical analysis with histogram
- ✓ Detailed statistical readout including Allan deviation

#### Agilent 53132A Series

- ✗ No trend line analysis mode
- ✗ No histogram analysis mode
- ✗ Single item readout in statistics mode; no Allan deviation measurement

### Warranty Duration

#### Tektronix FCA3100 Series

#### Agilent 53132A Series

✓ 3-year warranty

✗ 1-year warranty

### Tektronix FCA3100 Series

### Connect Your Bench for Powerful Debug

- ✓ FCA3100 Series includes a copy of National Instruments LabVIEW SignalExpress™, Limited Tektronix Edition Software.
- ✓ Provides a common software interface for Tektronix bench instruments
- ✓ Remotely control your instruments, automate measurements and analyze data across multiple instruments. capture and save results.
